

New York local Ajhp23M has been keeping tabs on filming for Sony & Marc Webb's "revision" film The Amazing Spider-Man. His recent uploads depict of the costumed stuntman attempting jumping off a bus; failing miserably, stopping a taxi cab, and his trademark swinging.

NOTE: the music in the last video wasn't affiliated with filming. The Amazing Spider-Man focuses more on Peter Parker's high school days and the development of his powers while navigating the troubles of a brainy geek in high school. And starring Andrew Garfield, Emma Stone, Denis Leary, Rhys Ifans, Martin Sheen, and Sally Field, the films swings into theaters July 3, 2012 in 3D!
