

var totalPages = 5; var url = location.pathname.replace(location.hash, ""); var qs = (function(a) { if (a == "") return {}; var b = {}; for (var i = 0; i < a.length; i++) { var c = a[i]; if (c == "&") continue; b[c] = a.slice(i+1).replace("&", ""); } return b; })(location.search.substr(1)); We've already taken a look at what did and didn't work in Doctor Strange along with the movie's coolest Easter Eggs, but what exactly does the latest Marvel Studio release do to set up the future of their Cinematic Universe? While there's no denying that it's a fairly self contained origin story for the arrogant neurosurgeon turned sorcerer, there's also still a fair bit of world building in this movie. It's that we take a closer look at here. From Avengers: Infinity War to Phase 3 (and 4) in general, Doctor Strange is a movie which could
