

var l_ttlPages = 5; var l_url = location.pathname.replace(location.hash, ""); var qs = (function(a) { if (a == "") return {}; var b = {}; for (var i = 0; i 2 && l_page Doctor Strange is an awesome movie and yet another hit for Marvel Studios, and while it definitely doesn't include the plot holes we've become used to with most superhero movies, it still leaves us asking a lot of questions. Some of these are actually pretty frustrating, particularly as they're so closely tied to the future of both the Sorcerer Supreme in training and the wider Marvel Cinematic Universe. Of course, questions like these do help build excitement for what's to come (like in Avengers: Infinity War), but that doesn't mean it wouldn't be nice to learn more
