

As is usually the case, details on the after credits scenes for Marvel's next movie have made their way online. Screencrush have outlined the mid and post credits stingers for Doctor Strange, and both sound very interesting indeed - but, if you'd rather be surprised, best stop reading now as huge SPOILERS follow. First up, the mid credits scene features one of The Avengers, and that is - yes, you guessed it - The Mighty Thor (Chris Hemsworth). It seems The Sorcerer Supreme plans to rid the earth of all mystical threats by the end of the film, and he deems that to include Thor and his nefarious brother, Loki. Strange invites Thor to his Sanctum Santorum and agrees to help him locate Odin on one condition: both he and Loki leave earth and return to Asgard... for good. Then, after the credits have rolled we see Baron Mordo (Chiwetel Ejiofor) steal Benjamin Bratt's character's - who used magic to heal his paralysis
