In fact, it ends pretty much where that movie begins, so it probably won't come as any sort of surprise to learn that it's packed full of references to that, The Empire Strikes Back, Return of the Jedi, the prequels (whether you like them or not), and perhaps most interestingly, The Force Awakens. What you'll find here is a look at Rogue One's ten best Easter Eggs, and we're not talking about the obvious ones like
