some reason, Rogue One: A Star Wars Story didn't suffer from anywhere near as many concept
art and plot leaks as Star Wars: The Force Awakens. That could be because there wasn't as
much excitement surrounding the movie or due to the fact that Disney and Lucasfilm tightened
their security, but we've still had to sift our way through countless rumours ever since the project
was announced. Looking back on them now, it should come as no surprise to learn that the
majority of those claims proved to be complete and utter bullsh*t. Some were related
