that Rogue One: A Star Wars Story is finally in theaters (you can check out my review [HERE](#)),
we can take a look back at some of the many shots from the trailers/TV spots etc that were
absent from the final cut of the movie. Again, it's far from unusual for trailers to feature stuff
that doesn't make it into the theatrical release, and scenes can often be shot for promotional
purposes that were never intended to be included anyway - but, in Rogue One's case we might
be able to figure out some of the
