

WARNING: MAJOR SPOILERS For Rogue One: A Star Wars Story Follow From This Point Onwards! Rogue One: A Star Wars Story is very much a standalone movie, but could some of the newly introduced characters return? Well, considering the fact they all die, it's highly unlikely, but you have to believe that they're still going to live on in comic books, novels, and merchandise. However, in the case of one character, it sounds like Disney and Lucasfilm may still have plans for them on the big screen. In case you hadn't already guessed, we're talking about Felicity Jones' Jyn Erso. The Hollywood Reporter reveals that the Oscar winning British actress, "has one sequel option in her contract." SPOILERS: ROGUE ONE: A STAR WARS STORY - 7 Things It Got Right & 3 Things It Got Wrong It's also mentioned that Jones was the highest paid member of the Rogue One cast with a seven figure salary. The likes of Diego Luna and Ben Mendelsohn meanwhile walked
