

The Amazing Spider-Man is an upcoming action adventure game. Based on upcoming movie/film and Marvel Comics the game set to be released at the same time with the movie. Devolved by, Beenox and published by, Activision. - Wikipedia Addict of Fiction's Custard Trout attended the London Super Comic Convention where he was able to chat with Stan "The Man" Lee. When Custard asked Stan if he'll be a playable video game character in the future, he got this surprising response. So what is Stan's abilities going to be in the game? I'd give him the power of teleportation as a nod to his extensive list of cameos. Outside of that I don't know which type of powers would be fitting for him. What do you think? Go beyond the movie to experience what it's like to BE Spider-Man like never before. Set shortly after the events of Columbia Pictures' new film, The Amazing Spider-Man
