

On whether her prefers Tobey Maguire or Andrew Garfield underneath the Spider-Man suit. STAN LEE: I love them all & if I had a favorite I wouldn't tell you. I love working on them & working with the people who make them. And I wouldn't wanna offend anybody by placing one over the other. I am such a wonderful person, the world should learn something from my example. On the superhero he'd choose to be. LEE: Tony Stark! He's rich, he has women, boats, planes & a sense of humor. On the supervillain he'd choose to be. LEE: Dr. Doom, then I'd be a king! Ya know I was in London, a couple of months ago & I was hoping that when I got off the plane, the queen would be there to greet me & put a ribbon around my neck that I could be Sir Stan Lee...but I guess she was busy or something. On
