

I make no secret of the fact that I'm a pretty big Stan Lee fan and recently he's been doing more press, some of which has been pure comedic gold. Stan recently attended the Fan Expo Canada at the Metro Toronto Convention Centre and shared the following humorous details with the crowd. On the real reason behind the success of Marvel's The Avengers: Stan Lee: "Well, you know why it made so much money right? My cameo is placed at the very end and its quick, so what happens if you miss it? These people go back out and buy another ticket so they get to see me! Will Stan continue the tradition and have a cameo in Iron Man 3: Lee: "Wait until you see my cameo in the next Iron Man movie! It's so funny!" Stan usually has nothing to say but good things about Marvel films but did he ever take
