

While the legendary comic book creator has already filmed his conventional cameo in Marvel Studios' first "Phase 2" installment, Iron Man 3, Stan Lee recently confirmed his next cameo in Thor: The Dark World, according to the folks from Nuke the Fridge. Now that the Alan Taylor-directed sequel has started filming earlier this week, 'The Man' revealed during a Q&A at the Comikaze Expo that he knows what the part will involve. And although he didn't detail the cameo for obvious reasons, Lee did, however, tease it. "You have never seen anything like it," Stan Lee said. "neither have I. Do not miss it!" Considering Thor and The Avengers are Marvel Studios' only feature films that explore otherworldly territory, and Stan Lee's cameos in both were on earth, perhaps his cameo in Thor: The Dark World will take place on one of the nine realms. What do you think? Exploring
