

A beauty pageant Judge! Yes, apparently Shane Black's Iron Man 3 will feature a beauty pageant of some description - most likely the Miss Chattanooga Christmas Pageant judging from a recent set pic - at some point in the story. The site report that Lee shot his cameo scenes yesterday, Tuesday July 10th. Lee made perhaps his most memorable cameo to date in The Amazing Spider-Man in which he appeared as a school janitor listening to music on his headphones, oblivious to the Spidey/Lizard battle raging around him. Before that he was set to appear in a full scene with Chris Evans (Captain America) in The Avengers before it ended up on the cutting room floor. He appears only briefly in a montage at the end of the theatrical cut.
