

Chuck has featured a lot of references to comic books and movies over the years, while its previous guest stars read like a who's who of fan favorite actors...this final season alone will also see appearances from the likes of Mark Hamill, Carrie-Anne Moss, Justin Hartley, and Rebecca Romijn! Well, according to Hit Fix, we can now add Stan Lee to that list. The site reveal that he'll appear in the seventh episode and, "Chuck encounters Stan Lee in the most unexpected of places," a setting that might suggest The Man has "a secret identity of his own." "Chuck" co-creator Chris Fedak added, "To say we're excited to have Stan Lee join us on the show is an understatement. His iconic characters and the epic worlds he imagined have been inspirations to all of us working on 'Chuck.'" Should be well worth keeping an eye out for!
