

DC's latest animated feature, *Batman: Return of The Caped Crusaders*, had its premiere this evening at New York Comic-Con, and during the introductory panel it was announced that a sequel is in the works for a 2017 release. This time the villain is going to be Harvey Dent/Two-Face, and he'll be brought to life via the unmistakable voice talent of William Shatner.

BATMAN: RETURN OF THE CAPED CRUSADERS is getting a sequel, featuring one villain who's a double dose of evil...and you'll never guess who's playing him! #DCNYCC A video posted by DC (@dccomics) on Oct 6, 2016 at 4:45pm PDT Two-Face was never utilized along with the likes of The Joker, Catwoman and The Penguin in the 1966 TV series, though Harlan Ellison did write a never-produced script that would have featured the villain, that was eventually published in the *Batman '66: The Lost Episode #1* comic book. Could that story inform the plot of this movie, perhaps? *Batman: Return of the Caped Crusaders*
