

At the end of Thor, Dr. Erik Selvig was recruited by Nick Fury to study and harness the mysterious powers of the Tesseract. However, it was also revealed that Selvig is under control of Loki! Actor Stellan Skarsgård had this to say about his return in The Avengers. "I had no idea what the future of Selvig would be after 'Thor,' but one thing I knew was when you sign on to a Marvel film, you're on the hook for five," laughs Skarsgård. "When the film begins, Selvig is working for S.H.I.E.L.D. and Nick Fury has a big concern because something is going wrong with the experiments on the Tesseract. Unbeknownst to him, he actually ends up opening a portal to another universe and Loki shows up and that's when the fun really begins." Executive producer Patricia Whitcher had this to say about bringing back The Girl with the Dragon Tattoo star after
