

After yesterday's featurette teased the amazing Steve Ditko-inspired imagery we'll be seeing in Doctor Strange, Marvel has now released two more TV spots (via Comicbook.com), showcasing some more snippets of the visuals, action and humour we can expect from the film. Check them out below! Doctor Strange follows the story of neurosurgeon Doctor Stephen Strange who, after a horrific car accident, discovers the hidden world of magic and alternate dimensions. Set for release on November 4th, 2016, the cast includes Benedict Cumberbatch, Chiwetel Ejiofor, Rachel McAdams, Benedict Wong, Michael Stuhlbarg, Mads Mikkelsen, and Tilda Swinton.
