

We're getting closer to the highly anticipated four night DC TV crossover on The CW, and the first clip has now been released featuring the Girl of Steel arriving on Earth-1. As you can see, not everyone is too impressed when Supergirl first appears, but it only takes a quick display of her amazing abilities to change their minds (Arrow's Diggle however hilariously gets on board with her almost right away). Considering the fact that Supergirl's episode will wrap up with Barry and Cisco coming to National City to recruit the hero, chances are this clip is from The Flash. Either way, the event looks like an awful lot of fun for fans of these shows, especially as it will feature so many unique pairings. Are you looking forward to seeing the Maiden of Might standing alongside the likes of Green Arrow and Firestorm? IT'S HEROES VS. ALIENS IN THIS EPIC CROSSOVER EVENT — When aliens called the Dominators attack Central City, Barry
