

Tyler Hoechlin commented on the positive response to his take on Superman earlier on, and The Man of Steel can be seen on a new poster for tonight's installment of Supergirl, "The Last Children of Krypton." The image pays homage to the Crisis on Infinite Earths comic book (see above), and definitely suggests that Kara Zor-El (Melissa Benoist) is going to be in considerable danger in tonight's episode. "The Last Children of Krypton"— (8:00-9:00 p.m. ET) (Content Rating TBD) (HDTV) IAN GOMEZ STARS AS SNAPPER CARR — CADMUS attacks National City with a kryptonite powered villain who ends up seriously hurting Supergirl (Melissa Benoist). Superman (guest star Tyler Hoechlin) blames Hank (David Harewood) because the kryptonite was stolen from the DEO. Meanwhile, Kara's first day at her new job doesn't go as planned after she meets her new boss, Snapper Carr (guest star Ian Gomez). Glen Winter directed the episode written by Robert Rovner & Caitlin Parrish (#202). Original airdate 10/17/2016."
