

So far, Supergirl is doing pretty well on The CW, and the fifth instalment looks set to keep that momentum going. As well as pitting the Girl of Steel against gang under the employ of Cadmus (the group responsible for kidnapping Kara's adoptive father), this episode will see Mon-El take on a new identity as he makes his presence felt in CatCo. Chances are that the "decision" the synopsis refers to for James Olsen is his transformation into The Guardian, a new vigilante you can see by clicking [here](#). Are you enjoying the second season of Supergirl so far? Titled "Crossfire," check out the episode description in full and then be sure to let us know your thoughts on these details in the usual place. **SUPERGIRL TAKES ON A RUTHLESS NEW GANG** — Supergirl (Melissa Benoist) must beat a ruthless new gang who has been armed with dangerous new alien technology. When Cadmus sends a video to the DEO, the team realizes Cadmus
