

When Supergirl made the move from CBS to The CW, it was reported that some big budget cuts would take place. Well, you wouldn't guess it from the promo below as we see Parasite brought to life on the small screen to battle the Girl of Steel in what looks set to be an epic confrontation. Interestingly, the promo below only hints at his arrival, but he'll appear in the show as the pink monster we know from the comic books! What do you guys think of this first look at Parasite? Share your thoughts below. **THE GUARDIAN DEBUTS IN NATIONAL CITY** – The Guardian debuts to lend a hand after a parasite alien drains Supergirl (Melissa Benoist) of her power. Mon-El (Chris Wood) considers a less than desirable new career which then leads him to contemplate his motives. Alex (Chyler Leigh) struggles with a new reality. Andrew Kreisberg and Caitlin Parris wrote the script based on the story by Greg Beranti.
