

Steve Rogers, scrawny NY Army reject, for being too scrawny, is given a 2nd chance to be a lab rat for a top secret project called, Operation: Rebirth. It's supposed to make superior soldiers through drugs ...that we now call "Steroids," but only after making sure it's safe by first testing the "Super Soldier Serum" on black soldiers. ... No, we're not kidding!! The result... Steve gets the serum, a Nazi spy bursts in, gun-a-blazin', a dead scientist and lost Super Soldier Serum, a tough boy scout named Captain America, and one dead Nazi with a snapped neck! Rodgers' first kill. So that's our version of how Captain America came into being. Here is our version of the types of SuperHeroStuff you should add to your collection.
