

Batman Urban Legend All Over Print T-Shirt Made from 100% Cotton, this white t-shirt features an all over print of Batman rendered in a thick, black ink by modern comic book legend, Jim Lee! Batman walks from the shadow, surrounded by...bats and splatter. Are the bats exploding or is the spatter effect altogether separate? Not sure. Anyway, this rather foreboding image of Batman is the result of an all-over printing process which jacks up the price a tad...but she's worth it. **Catwoman #46 by Adam Hughes T-Shirt** The Catwoman #46 by Adam Hughes T-Shirt presents one of the comic legend's celebrated Catwoman covers. The coquettish cat-burglar is posed on this particular cover with one hand on her hip and the other lifting her night-vision goggles because you're so bright she doesn't need to wear shades. Catwoman's back in the spotlight thanks to Anne Hathaway's (mostly) hater-silencing performance in *The Dark Knight Rises*.
