

The Batman Freezer Mug is designed to help keep 14 ounces of your favorite beverage cold with the aid of a non-toxic freezable gel that gets icy cold in your freezer until you're ready to unleash its cooling power on the drink of your choice. So, when you're using this Batman mug, you'll no longer need to rely on ice...or late-night calls to Victor Fries! Just make sure Alfred keeps it at the ready: upside down in the Wayne Manor freezer. And let him know that it's not meant for the dishwasher (sorry about the dishpan hands, Mr. Pennyworth...we appreciate your dedication) or the microwave...though why on earth anyone would think of putting this Batman Freezer Mug in the microwave is beyond us! Here's a clear Pint Glass featuring Danny Rand, aka the present day Iron Fist! Danny Rand is the latest recipient in a line of martial Arts Masters to wield
