

Baseball t-shirts have never been that big over here in Ireland, but I must admit, I've recently been converted. Whether you've been a fan for a while or are thinking of trying one on for size, SuperHeroStuff.com has one of the biggest and best ranges online, covering a wide variety of brands and characters. Today, I've decided to spotlight one great tee from each of the main geek-groups (that'll be Marvel, DC and Star Wars... obviously). First up is a lovely heather blue tee featuring the unmistakable logo of the Sentinel of Liberty. Captain America Shield Blue Baseball T-Shirt Soft and insanely patriotic, the 60% cotton 40% polyester Captain America Shield Blue Baseball T-Shirt makes the perfect human being...which is important because nobody wants to be the perfect soldier. That's what the good doctor was talking about, right? The Captain America Shield Blue Baseball T-Shirt will take everything inside of you and make it better...just like Steve Rogers! Okay, so it may not do
