

As was the case with the recent Bryan Singer interview presented via Voices From Krypton, the comments section will NOT be allowed to turn into a Brandon Routh bashing session. Please offer constructive comments or opinions in response to what he has to say. He's out promoting Dylan Dog and didn't have to take the time to look back at Superman Returns. On a personal note, ye editor got the opportunity to sit with both Henry Cavill and Brandon Routh on the same day. Geektastic opportunity!
