

Brandon Routh (Superman Returns, Scott Pilgrim Vs. the World) and Bret Harrison (Reaper) play (respectively) Silas and Jerry, a pair of working stiffs employed by a scientific facility that often loses control of its “experiments” and thus must be put down violently. During one crisis our heroes are dispatched on a suicide mission into the darkest and most dangerous bowels of the building, and as Silas and Jerry stare certain death in its off-camera face they discuss their futures, including a possible transfer to a facility that doesn’t have so many monster problems. - geeksofdoom.com COST OF LIVING from BenDavid Grabinski on Vimeo. Trivia: Which young actress is the voice of The Computer? Mary Elizabeth Winstead (Highlight Text)
