

It's thought that the Dominators will arrive on Earth-1 to take on - or take out - metahumans as they look to create their own, but a new video for Legends of Tomorrow points to them having visited Earth before. Based on what we see below, that was during the second World War, and considering the fact that's when the Justice Society of America was around, perhaps they'll also show up in the crossover! We'll just have to wait and see, but it will be interesting to see if we get any more teasers like this over the next few days. Do you guys have any theories about what this video might mean? Sound off below.

**ALL FOR ONE AND ONE FOR ALL
IN THIS CROSSOVER OF SUPERHEROES** — After learning the Dominators' plan for the world, the Legends must work together with The Flash (guest star Grant Gustin), Supergirl (guest star Melissa Benoist) and Green Arrow (guest star Stephen Amell) to kill
