

Before starting work on Guardians of the Galaxy Vol. 2, James Gunn penned upcoming horror movie The Belko Experiment. Featuring a talented ensemble made up of names like John Gallagher Jr., John C. McGinley, David Dastmalchian and regular Gunn collaborators Michael Rooker, Sean Gunn and Gregg Henry, the premise is extremely intriguing, and now the first trailer teaser has found its way online. Gunn returning to his horror roots is definitely exciting, while the fact it will be helmed by Wolf Creek's Greg McLean is a definite plus. Unfortunately, The Belko Experiment received mixed reviews followings its premiere at the Toronto International Film Festival, so who knows how it will turn out! With a release date of March 17th, 2017 now set, we thankfully don't have to wait too long to find out! It at first seems to be an ordinary morning on the job for a group of Americans working for a not-for-profit in a modern office building in Colombia. After noticing that their Colombian
