

Speaking at the TCA (Television Critics Association) press tour today Denis Leary discusses working on Marc Webb's The Amazing Spider-Man. He talks about his co stars as well as hinting that this movie may not be the last we see of his character Cap George Stacy. He began by saying that he was going to "ride Spider-Man", and that he's "doing Spider-Man 4, 5 and 6!" This was a joke, but he has an interesting response when asked about using a cane as his character does in the comics. From IGN.. "Andrew's just a terrific actor – I really loved working with him. I think he's great. Same thing with Emma. They're both actually more mature than I am and that says a lot right there. They're really incredibly talented and really professional. She's 22 years old. I don't want to tell you what I was doing when I was 22. I was very
