

A lot of folks and many of the users here in the CBM community are convinced that Christopher Nolan's Batman trilogy will continue on with Joseph Gordon Levitt as Batman, Robin or Nightwing. Levitt however, is not so sure. When asked whether he thought the story would continue he stated that 'its not up to him but that it would be awesome to be in that movie!' Levitt goes on to say though that there were never any hypothetical conversation on set to specify that if the story continued on whether he'd be Batman, Nightwing or Robin. Said Levitt--- Honestly, no, we never talked about that. And honestly I know a lot of people talk about the ending of that movie being a setup for a sequel but I don't think that's necessarily what it is. It's a great, perfect ending for that trilogy.
