

The following comes from Goku who seems to be reliable but still, don't take it as gospel. Assuming it is on the level be warned of some pretty big scene SPOILERS detailing Selina Kyle's (Anne Hathaway) introduction in the movie and Bane (Tom Hardy) once again practicing his MC skills. Here is his description in full.. -Selina Kyle is indeed a prisoner at Black Gate. Though reasons for her current incarceration were not clear apparently she has a lengthy rap sheet. -One of the scenes that was filmed was of her shown walking through the Men's wing of Black Gate accompanied by the Warden and a Prison Guard (who was described to look like the German actor August Diehl of Inglorious Basterds). The Warden is speaking to the guard listing off Kyle's criminal record dating back to when she was 16 or 17 years old. As she is being escorted prisoners are shown
