

What more can we say? Michael Bay has decided to make the turtles an alien race in the new live-action film and the fans reacted extremely negative. But, will the fans still be so negative when the creator of Teenage Mutant Ninja Turtles, Kevin Eastman, tells you what Michael Bay is doing with the property is "AWESOME"? Kevin Eastman - "Hey Guys, Sorry to have been away for so long--completely swamped with work--but it is some pretty exciting stuff. I had been invited to check out the TMNT film development by my friend Scott Mednick over the years, and a while back had a full look behind the curtain at what writers Appelbaum and Nemec, director Liebesman, and producer Bay are doing--and trust me--it IS AWESOME. I'm officially on board, and will share more as I'm allowed... thanks all!" Thanks to M. Christopher Roth for the heads up.
