

Ten Superman Superpowers That Would Ruin MAN OF STEEL by Brian VanHooker Turtle with Lemonade Productions www.turtlewithlemonade.com Faster than a speeding bullet, more powerful than a locomotive, and able to leap tall buildings in a single bound. Now you'd think that along with heat vision, frost breath, x-ray vision, super hearing, super smell and photographic memory would be more than enough for Superman to have, but throughout the character's history we've gotten a number of other random, bizarre and ridiculous powers attributed to the last son of Krypton, any of which would instantly ruin next year's Superman reboot MAN OF STEEL. Let's hope that Warner Brothers, Christopher Nolan and Zack Snyder know better than to give Superman any of these powers: 10. Super Kiss At the end of Superman II, Lois has found out that Clark Kent is Superman. Now, he must assume that Lois is just a horrible, uncaring bitch who's going to run an
