

"It's made of something that is designed to make you irritated. I don't know what that material name is, but that's the description underneath." He's the next young star to step into the skintight suit, and Andrew Garfield was here to tell Ellen exactly how uncomfortable (and revealing) it really is. Plus, Ellen had a special gift to help Andrew go incognito in public. Check it out! The Amazing Spider-Man is the story of Peter Parker (Garfield), an outcast high schooler who was abandoned by his parents as a boy, leaving him to be raised by his Uncle Ben (Sheen) and Aunt May (Field). Like most teenagers, Peter is trying to figure out who he is and how he got to be the person he is today. Peter is also finding his way with his first high school crush, Gwen Stacy (Stone), and together, they struggle with love, commitment, and secrets. As Peter
