

It has been confirmed that WonderCon will play host to a very special The Amazing Spider-Man panel. Last year, the Green Lantern footage shown at the event was released on iTunes afterwards, so whether the same applies for this movie is unclear (just keep your fingers crossed). Here's the official description of the panel which will take place on March 17th. The Amazing Spider-Man—The Amazing Spider-Man is back on the big screen, shot in 3D for the first time, and will be swinging into your neighborhood on July 3, 2012. Director Marc Webb and star Emma Stone appear live at WonderCon to give you your Spidey fix! For the fans who haven't seen it, here is your chance to see the eight minutes of footage that the filmmakers recently presented in a 13-city global launch event. Ballroom, Third Level Sony will also bring Looper and Resident Evil: Retribution, to the event, with
