

Stark Industries RU has been a very reliable source of information in the past (they gave us our first look at the Lizard in the form of concept art and frequently release new images and artwork before anyone else) and they have today taken to their Twitter account to reveal that the runtime of The Amazing Spider-Man is just under two and a half hours! Of course, we are currently searching to find out where this information originated from, so stay tuned to CBM for further updates. OFFICIAL runtime of The Amazing Spider-Man is 136 minutes!— Stark Industries Ru (@Ultimate_SI) May 23, 2012 Of course, if this accurate it's great news for anyone who was worried that those reports of a 90 minute runtime were the real deal. As the track list for The Amazing Spider-Man's soundtrack revealed last night (find that [HERE](#)) it would appear as if director Marc Webb is going
