

SuperHeroHype report that the first two and a half minute trailer for The Amazing Spider-Man will debut as soon as NEXT WEEK. The information comes from the same source who was pretty spot on with the information about The Dark Knight Rises, so expect to see the trailer online sometime within the next 10 days and in certain US cinemas next Friday! Here is an excerpt from their report. We first brought you word that The Dark Knight Rises teaser poster and trailer were debuting this week and now that same source is telling us that the first trailer for The Amazing Spider-Man will hit theaters next week with select prints of Captain America: The First Avenger. We're hearing that the trailer is a full 2 minutes and 30 seconds long! With an all star cast that includes Andrew Garfield as Spider-Man, Emma Stone as Gwen Stacy, Denis Leary as Captain George Stacy,
