

If you are a fan of Edgar Rice Burroughs' novels as well as looking forward to the Andrew Stanton-directed science fiction epic John Carter, then this is just for you. Disney has announced The Art of John Carter: A Visual Journey, which will feature some really amazing concept art images and behind the scenes stuff from the film. You can pre-order it now on Amazon.com or Amazon.co.uk. Note: the image below is not the final cover: Renowned Oscar-winning director Andrew Stanton (Pixar's Wall-E, Finding Nemo) takes us - along with the earthman known as John Carter - on a visual voyage through the world of Edgar Rice Burroughs' Barsoom. The Art of John Carter: A Visual Journey provides an exclusive look at the art and origins of the stunning visuals from the upcoming Walt Disney Studio film, John Carter, revealing the movie magic from behind-the-scenes, and what it took to bring this century-old
