

Following the worldwide premiere, a few lucky journalists had the opportunity to see Marvel Studios' supposed "best outing yet," The Avengers. And while full-fledged reviews are embargoed, the viewers, however, were able to tweet their initial "reactions" seeing the highly-anticipated film. Check them out as they unload below! The Avengers - Epic. EPIC! Everyone fights everyone, but it does deliver. Marvel's movies get better every single one. Hulk! HULK!!— Alex Billington (@firstshowing) April 12, 2012 That'll do, Joss, that'll do.— Devin Faraci (@devincf) April 12, 2012 THE AVENGERS. Finally, a Marvel film with a rousing finish. I'll deal with the first two acts in my review.— Jeremy Smith (@mrbeaks) April 12, 2012 I'd tweet about The Avengers but my body is still recovering from non-stop geeking out. So, so, so much fun (for the most part).— Germain Lussier (@GermainLussier) April 12, 2012 Finished watching #Avengers but can't get up on account of this visible
