

Thanks to Cleveland.com, we have further details on the filming which is set to take place over the next few weeks. With work currently ongoing in the city for a climatic New York street battle scene, the following also makes up a part of that as well according to reports. Who do you think is responsible for these fireballs? Hulk? Loki? Skrulls?! Share your thoughts in the usual place! "The Avengers" film crew will film a series of exploding fireballs at the former Chevrolet Powertrain buiding Aug. 18 and 19. The explosions, with fireballs that will reach 30 feet into the air, are part of the filming sequence of battles that will begin in Cleveland on Monday. Text explosions will be performed on Thursday with the actual filming taking place on Friday, Aug. 19. The building is on Chevrolet Road midway Snow Road and Brook Park Road. "Our administration has been working on this
