

We've known the primary cast members and characters of Marvel's The Avengers live-action assembly since last year, with a few appearances learned later than others. And two weeks from the film's worldwide release, Walt Disney Pictures has released the full and final cast & crew list, which has interestingly revealed a few additional appearances from actors and comic characters, unknown up until now. Check out the list and rundown below! **CLICK IMAGE TO ENLARGE** Kicking off the rundown, actor Alexis Denisof will be portraying "The Other," which'll likely involve the credits teaser of the film. Denisof is known for his roles in Joss Whedon's Angel & Dollhouse series. He has also lent his voice to various characters in DC's direct-to-video animated films All-Star Superman, Justice League: Doom, Batman Beyond, & Justice League Unlimited. He recently reteamed with Whedon for Much Ado About Nothing. Next up, Polish film director,
