

Dark Horse who is a member of the website The Red Shadows was on hand for the UK Toy Fair. Here is the images and his/her breakdown of what was featured. Saw all the Avengers and Spidey stuff. Oh boy, is it bad. Articulation on the Avengers stuff has been cut way back across the line. Most have no body, wrist or ankle movement. The Spidey stuff all has T crotches. On the plus side, there are lots of vehicles coming out for the Avengers movie. The Justice jet gets an IM style repaint, there's a new Cap vehicle that looked like a small tank with wheels, the Quinjet and the fucking HELICARRIER! Helicarrier is three feet long, has the usual firing missiles and shit. Looks pretty good but is only big enough for the Quinjet to fit on it's runway. The Quinjet is pretty big. Only one figure can fit in the
