

Lou Ferrigno has once again lended his "original" Incredible Hulk voice now for the Green Goliath's live-action return in Marvel's superhero assembly of a lifetime, The Avengers. And evidently having very little lines in 2008's reboot, Marvel reps have said that Dr. Bruce Banner's angrier half is smart or rather conscious of what he is doing more so this time around. Well now, thanks to the electronic 10" "Super Smash Hulk AF CS" figure from Hasbro's toy line, whose product description says includes "actual sounds and phrases from the epic film Avengers," we may know a few of those monstrous lines. Thanks to Havenless, read them bolded below! [The figure] comes with a voice box! He says "Hulk smash... Hulk smash Thor! (Crash!)... Let's go smash!... Hulk ready for fight!" Now – look where the quotation marks begin – and where they end. That's right – he says all those
