

Showcasing more merchandising efforts in anticipation for The Avengers movie, four Funko Wacky Wobblers have hit the net, via Diamond Toychest, inspired by the movie's Iron Man, Hawkeye, Thor and Incredible Hulk. Additionally, fragrance producer company Jads International have posted specialized cologne, all but four awaiting licensor approval, based on the heroes and villain of the long-awaited big-screen assembly. Infinity Formula Cologne Colonel Nicholas "Nick" Fury. Paratrooper, Ranger, Weapons and Demolitions Expert, Aircraft Specialist and Pilot, Green Beret. Veteran of every US War and Military Conflict since WWII. Director of S.H.I.E.L.D. "The single most powerful, most important organization on the planet Earth." And the only human strong enough to bring together a group of remarkable people who would fight the battles no one else could. Infinity Formula Cologne. Face danger with something dangerous. Activate the Initiative. PATRIOT Cologne A cologne that pays homage to the confident, stand-up-to-bullies, hard working average
