

Filming for a little over 4 months now, according to the New York City shoot's schedule, Marvel Studios' The Avengers will be wrapping principal photography tomorrow; but that's not all the schedule reveals. Via PattiePadFoot, the sheet also depicts snippets of action scene details, plus a hint at Stan Lee's cameo and potentially the film's alien invaders. While I've provided a transcription below, you can click the images (right) to enlarge. And though it's in filming terms, you should pick up on the goods. SEPT. 3RD CAMERA OON 99 PARK AVE.
