

Here's what the first email yesterday said... Hello, I've come into possession of an advanced copy of a script called "Group Hug" which when released will be titled "THE AVENGERS". It is a pink draft of the shooting script dated 04/08/11. The pages bear the Marvel Studios letterhead and all 129 pages are watermarked with one of the starring actor's name. Also included is a personal note from writer/director Joss Whedon. If this is something that you would like to procure, contact me and we can negotiate terms. Verification can be provided if interested. And today's email included pics... Hello All, I've attached 2 photos of the Group Hug script for verification purposes. I trust this to be sufficient, however if further proof is required a photo of a specific page can be sent at your request. I have one hard copy that I am looking to sell and I will not be making any copies,
