

Thor vs Hulk ends in a stalemate. The fight begins on the helicarrier after Banner hulks out and almost kills Black Widow. A huge fight between the two ensues (they're about even in terms of power levels) but eventually ends when Hulk is distracted by a SHIELD fighter jet. Stark Tower becomes The Avengers Mansion. It's damaged during the battle for NYC but an A symbol can be seen on it at the very end (in a scene involving Pepper and Tony). The events of The Incredible Hulk are acknowledged as in continuity. Tony watches a clip of the Hulk roaring from the park scene in TIH, Coulson briefs Captain America on the variation to the serum Erskine made (i.e. what Blonsky had), and Ruffalo's Banner talks about how he leveled Brooklyn (i.e. when he duked it out with Abomination). Thor flies only a handful of times during the film (once or
