

In an interview with Vulture Cobie Smulders seems to reveal a major spoiler, which is that her character will have superpowers. This is news to me, and at first I thought it was just a typo. If it's not a typo than this is a major departure from the comic book character. In the Marvel universe she has never had any superpowers. This is the first possible sign that Joss Whedon is tinkering with the Marvel universe, and I'm interested to see how the fans react. What follows is an excerpt from Cobie Smulders interview with nymag.com You're also getting into action with Joss Whedon's The Avengers. Before he cast you in that, he said he was considering you for a Wonder Woman project. So he's clearly a fan. Did he ever tell you why? No! If he did, I would throw up in my mouth. I mean, the Wonder Woman thing was
