

Robert Downey Jr. is currently in Brazil promoting his new movie Sherlock Holmes: Game of Shadows, which is yet another big blockbuster Hollywood movie that the popular actor has put out in the last few years. The actor has gone through a huge revitalization to his career ever since Marvel put him in the Iron Man suit. Since then he has been one of the hottest actors, and big name directors like Tim Burton are clamoring to have him in their next film. Google Translated: Five years ago, who did not identify themselves when they think of Tony Stark, because all comic book artists changed the character. I'm glad that fans can identify with me. The sure things that I have right now are Iron Man 3 and The Avengers. I haven't seen The Avengers but we worked hard in bringing all these heroes together. I hope people like it. There may be
